1. Jim Garrison telephoned to say that they wished to make some minor changes in the letter of indemnification for the ordinance which [REDACTED] Technical Services Staff, and Larry Houston, General Counsel, have already worked on. I told Jim to go ahead and make the changes and then coordinate them with TSS and GC.

2. I devoted the afternoon to a briefing of the Comptroller General, his General Counsel and Mr. Samuelson, Director of the Civil Auditing and Accounting Division. (See Memorandum For The Record dated 3 August 1959.)

3. [REDACTED] called and wanted to recommend the promotion of [REDACTED] to grade GS-16. He assured me that he could absorb him within his supergrade ceiling when he returns to the Office of Communications at some later date. I told him that under these circumstances I would put him in for promotion when the next Supergrade Board Meeting is held.
